MYAC Welcomes New Accounting Manager!

MYAC welcomes Lisa Schwartz, an experienced accounting professional, to its staff. Lisa holds a Bachelor of Science in accounting from the University of Illinois at Champaign-Urbana and previously worked as a Senior Financial Analyst at CNA Insurance and currently works part-time for Balmoral Advisors. Prior to joining Balmoral Advisors in 2019, Lisa was a stay-at-home mom to her two daughters.

While working at Balmoral Advisors, Lisa heard of MYAC through her boss. His wife, Jean, currently works at MYAC, and their children are enrolled in the orchestra program. Lisa could immediately feel the family environment at MYAC and how much everyone loves their jobs as well as working with the students. She enjoys working with everyone and learning all about the different programs offered at MYAC.

“I feel that my prior experience has enabled me to help MYAC with their accounting needs,” she stated, “During my time here, I have learned more about non-profit accounting and all of the different music opportunities offered at MYAC.”
